Determine user stories:

NOTE: Some of our user stories from our previous sprint got pushed back to this current sprint because lack of time For this sprint we will use the following user stories:

1. (Easy) As a user I want to be able to share tips, risk and regrets of places I have been
2. (Hard) As a user I want to be able to navigate easily through a nice looking website
3. (Harder) As a user I want to be able to supply user content by adding destinations of places **FROM SPRINT 1**
4. (Hard) As a user I want to be able to private message another user **FROM SPRINT 3, BUT PUSHED TO PRODUCT BACKLOG**
5. (Medium) As a user I want to be able to gain recognition for posting **FROM SPRINT 3, BUT PUSHED TO PRODUCT BACKLOG**
